## Easy as 1-2-3: Three calls a day, 5 days a week for the next 25 days!

Reconnecting with your database, following up old leads, calling your Facebook list or more direct prospecting such as FSBO's, expired if allowed, just solds, etc.  This is a daily exercise to prime the pump before you get too busy.								The memory jogger:  Your ongoing list of future contacts, reasons to be calling & fresh sources of prospects
